**RESPONSE TO OFFICE ACTION**

Sir:

This is in response to the Office Action mailed September 25, 2002.

**IN THE CLAIMS**

Please cancel claim 6.

**REMARKS**

The Examiner has rejected claims 2 and 21 as being indefinite for failing to particularly point out and distinctly claim the subject matter of the invention. The phrase "high quality graphics" is indefinite. The term is not defined in the specification, nor does the term have an accepted meaning. Applicant must amend the claim, show where the term is defined in the original disclosure, or provide the Office with a reference that defines the term and predates the prior date of the application.

The term high quality graphics is a term of art. Enclosed are references that define the term and predate the prior date of the application.
